KAT'S CREAM

£60 Kat, York

I thought you might like some photos of my sexy fiancée Kat.

As you can see she enjoys dressing for any occasion and this time I thought her nice bottom deserved a spanking. You know – she'd been naughty.

She had been looking at pictures of a pop star (who will remain nameless) and lusting after him.

So when we got home from town later that day I told her in no uncertain terms that she had been a very naughty girl.

Imagine my delight when I went into our bedroom and found my lovely girlfriend dressed like a naughty school girl.

CONTACT ME

She is tiny, not much more than five foot and was dressed in her short pleated skirt and white ankle socks.

This sexy sight was more than I could stand.

I bent her over and smacked her lovely milky bum cheeks till they were rose-pink, then fingered her moist pussy from behind as she gasped and moaned.

It was all I could do to stop myself from cumming but she was so hot I had to sort myself out soon.

I pushed her onto her hands and knees and rammed my cock up her doggy-style.

My cock had never felt so beautifully hot and enlarged as I slid it in and out of her.

When I was about to cum she reached back and gripped my balls till I spasmed into her.

It felt totally amazing and I am going to have to arrange for the naughty little minx to be naughty again!

Hope you like the photos. I know I thoroughly enjoyed doing them.

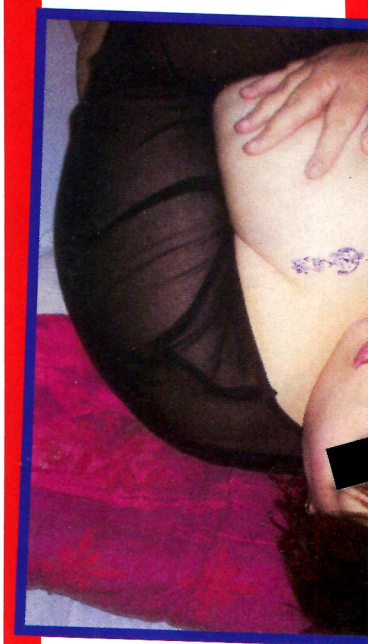

Daniel, York.

OUT OF THE CLOSET

My friend Fiona and I have been best pals for years. We even went to Girl Guides together and were always at each other's houses for tea.

Just think how shocked our mums would be if they knew that now we are grown-up the only thing that's on the menu for tea is each other!

It all started one evening a few months back when Fi had a row with her bloke and I came up with the idea to have a girls night in at my house.

Dead on seven, just as promised, Fiona knocked on my door armed with a bottle and some fags.

I'm always broke so I had no complaints.

After drinking that wine and then another bottle we were both sloshed and had virtually collapsed after an energetic game of musical bumps which was pointless. Well, there were only two of us!

On my last trip down to the ground I must have

ended up lying on Fiona absolutely paralytic because the next thing I knew she started fondling my arse through my trousers.

I was fucked so at first I ignored her hands groping my thighs and bum.

It was only when her hand moved up between my legs and started finger-fucking my pussy through my jeans that I realised two things.

One, my best friend was a lesbian. Or at the very least had lesbian tendencies.

Two, even if she had those tendencies, maybe I did too, because I was loving it as well.

I turned to look at her and for the first time I saw her not just as my mate but as a horny piece of pussy I just had to fuck.

She had a sexy, frustrated face. That, along with her long dark hair and stunning brown eyes, made her irresistible to me.

I'd known from previous girlie chats that she liked her boyfriend to treat her rough.

So I thought, Right bitch, you want it, you're gonna get it!

I grabbed the back of her head and thrust my tongue down her throat. She moaned and grabbed at my tits, trying to set them free from my 42DD bra.

She ran her tongue from my lips down my chin to my hard nipples.

By this time my tight shaven pussy was aching to be filled and I could feel my sticky love juices flowing, just waiting to be licked up by that twat hungry whore who was rolling my nipples around in her mouth.

I couldn't wait any longer so I pushed her down on the floor and pulled up her denim skirt.

Her shaven pussy was revealed to me.

She looked at me and said in a deep sexy tone, "Fuck me, bitch!"

So I rammed my finger up her dripping cunt at such a force her head was banging on the wall.

She was obviously loving it as she was moaning and playing with her tits with one of her hands and flicking her swollen clit with the other.

I was so turned on I just had to have a taste of those juices that were trickling down her legs.

I shoved my face deep into that weeping love hole, thrusting my tongue in and out of her cunt and sucking on her clit.

Then as quickly as it had started she groaned and came all over my face.

I didn't know women could gush so much but my God she did!

She stood up, got her things and said, "Dinner at mine tomorrow – eight o'clock!"

And with a mouth full of pussy juice I gave a vigorous nod!

My wife and I holiday in the Costa Brava each year and we have just returned, tanned and raring to go after another series of sexual adventures.

Louise is a size 12 and has gorgeous 34C size tits with nipples the size of cigar butts, which have got bigger in recent years due to her insistence that I attach garden pegs to them, tie her up and spank her arse while I fuck her.

So you get the picture – she is a little saucy when she wants to be but until this recent holiday I had not realised quite how fruity she could be.

Well, nicely tanned and feeling good Louise and I headed off in our hired Renault Clio to dinner one night on a beautiful Spanish night. The area around the port is often busy in peak season and parking is limited so we had to park in a field, which is used as an overspill car park in the summer.

During our meal Louise drank a whole bottle of wine followed by a couple of vodkas. It was good strong Russian stuff and it was ing the desired effect because struggling to get noticed to ask the bill Lousie said, "If I get my out do you think they would noti us?"

Paul continued to fuck my cunt while reaming out my arse with the vibrator. It was at this point that I had my first orgasm.

They could all see I was coming to a climax, but only Dave knew I ejaculate when I cum. Paul pulled out and started licking my cunt while still plugging my butt with the vibrator.

I came all over his face, which to my delight he loved. Then Phil lay down and told me to straddle his cock. I did, and Joe started rubbing lube into my tight arsehole.

Then he slipped his prick up my arse to the hilt. It was my first double penetration and I loved it. Dave

put his cock in my mouth and I wanked Paul off with a free hand.

After they had fucked me ragged, they put me on my back on the coffee table in the middle of the room.

Then they took it in turns to shoot their loads over me.

I frigged my clit while they shot their spunk over my mouth and face.

It was my most fantastic sexual experience and we hope to do it again soon – with even more men!

RUGGER BUGGERS

It started off like any other Saturday morning during the rugby season.

At 10 am I had eight bacon rolls and four mugs of coffee ready for my partner Dave and his three mates, Paul, Phil and Joe.

They don't play any more but they go to all the games at the local club, watch the match and get pissed.

This time, however, Dave and the guys insisted I go along too. Joe told me it would be well worth my while, adding that they had a surprise for me.

I went along, my suspicious mind working overtime. It was pissing with rain so we watched the match from the clubhouse and got drunk.

After a while, Dave leaned across to me and said, "You know that fantasy where you get fucked silly by a load of men? Well tonight's your night if you're up for it!"

I looked at the others, who looked back at me in anticipation. "Let's go for it!" I said, and we shared a taxi back to our place.

In the back of the cab Phil, the cheeky cunt, got his dick out and motioned for me to suck it. Dave egged me on, so I got on my knees and started to blow it.

Someone, I don't know which one of them, was rubbing my pussy through my jeans and Joe was playing with my tits. Fuck knows what the cab driver thought.

Back home we all piled into the sitting room. The lads did a 'Full Monty' for me, my pussy getting very wet as I watched them strip off.

Paul then knelt down in front of me and started taking off my top and bra, playing with my tits and sucking my nipples while fumbling with the buttons on my jeans.

Joe then took over, taking my jeans and thong off. He licked my saturated pussy.

Phil was next naked and offered me his cock to suck on.

I fed on it like a woman possessed, licking his balls and flicking my tongue over his bell-end, much to the delight of Dave who had settled in a seat and was wanking away furiously.

The guys took it in turns to suck my tits, lick my cunt and get a blow-job.

Then Paul pulled me off the sofa and made me kneel in front of hi

GOOD FUCKING SERVICE

Mandy and I are both really highly sexed and love nothing better than fucking wherever and whenever we can!

This can prove awkward as Mandy is a delivery driver working all over the country and when we are out we often stop at service stations for a quick shag.

It was at one of these pit stops that Dave, a lorry driver, saw us going into the disabled toilets. I was already aroused and my cock was rock hard. We had only just locked the door when we heard shuffling outside.

Mandy ignored and started sucking my cock. My helmet was already glistening with pre-cum and the taste was driving her wild.

Mandy stopped when she felt my balls start to rise and told me to wait as she wanted my spunk up her arse.

Then there was a knock at the door. "It's engaged!" I said. "I know - it sounds great," said the voice. "Can I watch?"

Mandy looked at me with a big grin. She looked like she was up for it so I opened the door.

There was Dave, a big tall guy who you could tell worked out. I told him to come in and enjoy the show.

Mandy stripped off and put her leg up on the sink. He could see her shaven cunt dripping juices. I got on my knees and started to lick her out.

Dave dropped his trousers and started to massage his big thick cock while I slid my tongue up Mandy's slit.

Mandy got on all fours I asked Dave if he wanted to fuck her. He couldn't believe his luck as he went behind her, shoving his big cock right up to the hilt in her.

I sat on the toilet in front of her and she stuffed my dick in her mouth. Dave was pounding away at her and she was gagging on my cock with every thrust.

Mandy pulled his prick out of her pussy and gestured to Dave to stick his cock up her arse.

Dave's cock was slick with cunt juice and he slid right up. The delight on Mandy's face was plain to see.

Pumping his cock in Mandy's arse soon tipped Dave over the edge and soon his thick cream was shooting into her bum hole.

Seeing Dave fill up my fiancée's arse made me shoot my load right down the back of her throat. Mandy loves the taste of cum and swallowed the lot.

Dave gave us his nur and said he had plenty mates who would love t fuck her.

It wasn't long before were in contact again a Dave and his mates we fucking all her holes as squealed in ecstasy.

They finished off by covering her body wit jizz.

I lost count of the am of times she came.

Dave and the boys a always round now and have orgies as often as possible.

Now we are looking women or for couples t join in with us.

Dear Escort,

One of the letters I received was from a lorry driver who wanted to drive alongside my husband and me on the motorway.

We arranged a date and time – one evening at a service station on the M4. We followed him onto the motorway and waited for his instructions.

My husband and I were both in a heightened state of sexual arousal. David had the biggest hard-on ever and my panties were soaking wet.

My mobile rang and I was asked to put on a show. I took off my coat and let my big boobs spring out.

I unbuttoned my blouse and my skirt. David switched on the car's interior light so our friend could get the best possible view.

I pulled down my bra and pressed my tits up against the glas

GYM FUCK WORKED OUT FINE

I am a bit of a gym fanatic. I love it when I catch the guys at my gym staring at my firm fit body.

After one session I went into the changing rooms to have a shower. It was just before the gym closed and I thought there was no-one else around.

I was just lathering my body when I heard someone come into the changing room. I moved the shower curtain across to see who it was – the female fitness instructor, Jenny.

I had a thrill when I knew she could see my naked soapy body.

"Are you alright?" she said. "I can't reach my back," I replied.

Within seconds Jenny had stripped off and was next to me. Her body was amazing – firm, tanned and lithe. She had pert tits that just longed to be sucked.

"I'm dirty," she purred. I took this as an invitation to rub lather all over her. I faced her and soaped her tits, watching the lather run all the way down to her pussy.

My hands ventured down to her soapy clit and I rubbed her between her legs. I felt her pussy contracting under my touch.

"Turn round," she said. I put my hands on the wall and arched my back. She then rubbed my arse really hard and spanked my arse cheeks. It made my pussy ache to be filled.

Jenny then finger-fucked me with one hand and rubbed my clit with the other. I let out huge moans of delight.

All of a sudden the shower curtain was pulled back. It was Danny, a guy who worked out at the gym.

He'd heard our antics and wanted to have a look. He'd stripped off and was rubbing his rock hard cock.

Danny laid a towel on the floor and Jenny, all soaking wet and soapy, got on all fours.

I watched him as he used his fingers to spread her pussy lips apart and ease in his big fat cock.

He pumped away at her furiously while I rubbed my clit and stuck my fingers up myself.

CAUGHT IN THE ACT

My boyfriend Matthew and I often go out to the pub with our friends. One night we went out with two of my girlfriends, Nicole and Gemma.

It had always been a fantasy of mine and Matthew's to have a threesome with another girl.

We'd often fantasise about him coming home from work and catching me and a girlfriend at it on our bed. In the fantasy he would join in and fuck the pair of us.

On this night out we all started flirting after a good few drinks. When last orders were called we finally drained our glasses and began the walk home.

Feeling horny, Matthew and I asked if Gemma and Nicole wanted to come inside for a few more drinks. They jumped at the chance so we quickly made our way home.

As soon as the front door was closed, us girls started peeling off one another's clothes. All Matt could do was stand and watch.

We worked our way slowly up to the bedroom where the fun began. We were down to our underwear by now, gently kissing each other and licking each other's nipples.

Matt's cock was almost bursting out of his jeans so I called him over. Nicole lay on the bed before me and opened her legs to reveal a beautiful pink pussy.

I bent over and started to lick out the wettest pussy you can imagine.

Matt stood behind me and fed his cock inside me. He started doing me while Nicole rubbed my clit until I came.

Nicole, Gemma and I then all turned and licked my cum off his hot, steaming knob. We fought for position, all wanting to suck him off at the same time.

Having three horny birds all licking his cock soon caused Matt to cum. He told us he was going to blow so we all crowded around his cock eagerly.

He shot reams of hot sticky jism over our faces and mouths.

We had a three-way kiss, passing his gooey spunk

"My turn!" I said. I made Danny lie on his back while I straddled him.

I rode up and down on his solid shaft for a couple of minutes. I then got off and took his huge hard-on in my mouth.

While I sucked hard on his cock Jenny sat on his face.

I could see his pink tongue flicking up to her clit and inside her cunt.

Jenny started to tremble and she screamed out in delight.

I kept using my tongue on the very tip of Danny's cock then plunging its full length down my throat. I could tell he loved it.

It all got too much for him and I felt his body jerk and the creamy cum spurt out of his cock deep down my throat. I used my hand to wank out the last remaining drops.

Jenny wanted to taste him too so she cleaned up his spunky cock with her mouth.

I always try and time my visits to the gym to be the last one there now. Who knows who else might walk in when I'm showering!

back and forth between our mouths.

As we savoured each mouthful, Matt collapsed onto the bed, delirious and spent. I went over and sat on his face.

Nicole sucked his cock back to life and impaled herself upon on it. We both sat there enjoying my boyfriend, me leaning over to kiss Gemma at the same time.

We carried on fucking like this long into the night.

It was the best fuck I have ever had and now I want so much more.

HOME CUMMING

I have a job where I can work at home a lot but it does get boring with no-one about.

One day when my work on the computer was nearly done, I decided to surf the internet.

I went on to a porn site and it wasn't long before I started to frig myself. I got myself in to such a state I didn't hear Sarrah come in.

Sarrah is an office temp who often pops round with some papers. I've told her just to come in because I can't hear the door when I'm in my office.

I caught her reflection on the screen just as I was about to climax. I turned to her and said, "Do you want to finish me off?"

She didn't hesitate and in a second she was between my legs, lapping my pussy with thick tongue strokes.

After I came I didn't quite know what to do. Sarrah was a stunner, but I had always thought she was straight. "How was that?" she asked. "I didn't know you were that good," I replied.

I moved over to her to fondle her breasts and led her to the bedroom. I took off my clothes and got my favourite vibrator out.

I lay Sarrah down on the bed and massaged her clit with the dildo.

Her cunt was starting to juice up nicely so I rammed the dildo up her to the hilt. She screamed with delight.

As I thrust it harder she made more noise so I straddled her so she could tongue my hot little cunt.

It was driving me nuts and juice was streaming out of my pussy.

I pulled Sarrah's lips apart so I could lick her clit while I pushed the dildo inside her.

She was not satisfied with just licking my cunt.

She put a finger in me till it was dripping with juices and then eased it up my arse.

This was sheer bliss and I could feel the orgasm welling up inside me again.

It must have been building in Sarrah too because her soaking fanny was beginning to spurt cum juices out onto my face.

I let go for a second time on to her face just as she thrust a second finger up my bum.

I thought I would never stop cumming it was so intense.

It wasn't long before Sarrah was cumming too, all over

my face as I pushed the dildo roughly up her again and again.

I lapped up her cunt cream greedily and we both fell into a heap, kissing and fondling.

Until the next time hopefully.
